

UNIVERSITY RESEARCH COUNCIL FACULTY

AWARDS

FUNDING OPPORTUNITIES 2016-2017

Faculty Research Cost Support Awards

Announcement of RFP: August 23, 2016

Due: October 27, 2016

This program provides financial support for faculty research programs, primarily for those in the initial stages of developing their research career. URC Faculty Research Cost Support Awards are meant as pilot grants to leverage additional extramural funding in the STEM areas and as grants to interpret and enhance disciplinary knowledge in areas where extramural funds are not generally available. This program provides research cost support for the development of faculty research. Successful applicants are expected to present records of prior activity that indicate the potential for high-quality achievement. Faculty from the University of Cincinnati and its affiliate institutions are eligible to apply for the Faculty Research Cost Support Awards. Research support in the amount of \$10,000 will be provided.

Note: Faculty seeking stipend support for research should apply for the AHSS Faculty Research and Scholarship Stipend Award program.

AHSS Faculty Research and Scholarship Stipend Awards

Announcement of RFP: August 23, 2016

Due: October 27, 2016

This program provides summer stipends for Arts, Humanities and Social Science faculty research and scholarship activities to interpret and enhance disciplinary knowledge in areas where extramural funds are generally not available. \$10,000 (less taxes and benefits) will be provided so that the awardee may pursue scholarly/creative activities. This program is available to University of Cincinnati appointed faculty only.

Note: Faculty seeking financial support for research should apply for the URC Faculty Research Cost Support award program.

Interdisciplinary Faculty Collaboration Cost Awards ****Revised Program****

Announcement of RFP: September 27, 2016

Due: January 12, 2017

This program is designed to support pilot research projects that are part of a collaborative effort between 80% or greater FTE faculty in at least two different disciplines. The goal of this program is to establish collaborative research efforts that will result in competitive research proposals to national funding agencies in the STEM areas and as grants to interpret and enhance disciplinary knowledge in areas where extramural funds are not generally available. This funding is primarily meant for those writing their first grant in collaboration with experienced researchers. Successful applicants are expected to present a record of prior activity that indicates a devotion to scholarship and the potential for high-quality achievement. Research support of up to \$50,000 will be provided. All members of the University of Cincinnati Faculty and its affiliate institutions are eligible for this award.

Note: STEM areas include Chemistry, Computer and Information Technology Science, Engineering, Geosciences, Life Sciences, Mathematical Sciences, Social Sciences, Physics and Medicine, Pharmaceutical Sciences

Graduate Student Stipend and Research Cost Awards for Faculty-Student Collaboration **Revised Program******

Announcement of RFP: October 18, 2016

Due: December 15, 2016

This program provides summer stipend support to outstanding graduate students plus funds to support related research costs in collaboration with a UC faculty member. Stipend support of up to \$3,000 will be provided to the graduate student plus up to \$2,000 for research costs payable to the department. The number of applications submitted through each graduate program is limited, and there is a requirement for a pre-review by the department/college of the applicant. Applications will only be accepted from the graduate programs. Students may not apply directly.

Undergraduate Student Stipend and Research Cost Awards for Faculty-Student Collaboration **Revised Program******

Announcement of RFP: November 15, 2016

Due: February 16, 2017

This program provides summer stipend support to outstanding undergraduate students plus funds to support related research costs working in collaboration with a UC faculty member. Stipend support of up to \$1,500 will be provided to the student plus up to \$1,000 for research costs payable to the department. All undergraduate students from UC who will not have graduated by May 2017 are eligible for this award. Students who have been accepted into other UC-sponsored summer undergraduate programs are eligible to apply. If awarded, the student will receive the higher of the two stipends and the URC funds will be used for all or part of that support.
