

**NIH NOT-OD- 21-073:
Summary of Changes to Biosketch and Other Support**

(As of November 1, 2021)

Biographical Sketch (Biosketch)		On or After January 25, 2022
General		
Follow the format and instructions outlined in NIH guidance .		Required
Use of SciENCv to generate Biosketch		Not required (available for use)
Section A: Personal Statement		
Brief description of why investigator is well-suited for the role on the proposed project		Required
Citation of up to four (4) publications or research products that highlight the investigator's experience and qualifications for the proposed project		Allowed
Section B: Positions, Scientific Appointments, and Honors		
List in reverse chronological order all current positions and scientific appointments both domestic and foreign. Include: · All affiliations with entities or governments outside the United States · All titled academic, professional, or institutional appointments o whether or not remuneration is received o whether full-time, part-time, or voluntary (including adjunct, visiting, or honorary)		Required
Section C: Contributions to Science		
No updates or changes to instructions		
Section D: Research Support		
List ongoing and completed research projects from the past three years that that the investigator wishes to highlight.		Removed (up to four (4) research highlights included in 'Section A')
Other Support		On or After January 25, 2022
General		
Follow the format and instructions outlined in NIH guidance .		Required
Use of SciENCv to generate Other Support Note: NIH anticipates the SciENCv template for Other Support will be available beginning in FY 2022.		Not required (optional when SciENCv template made available)
Disclose ALL active and pending sources of Other Support, including: ● Sponsored projects/proposals (including projects not routed through UC or conducted as part of a non-UC appointment) ● External consulting , when an investigator will be involved in the design, conduct, or reporting of research as part of the consulting activities (e.g., work that may result in publication in an academic journal, designing a protocol, data analysis, serving on a steering committee for a clinical trial) ● In-kind (i.e., non-monetary) resources that meet all the following criteria: o Are not publicly/widely available, and		Required (split into separate sections for sponsored projects/proposals and in-kind resources)

Other Support	On or After January 25, 2022
General	
<ul style="list-style-type: none"> o Were provided by a non-UC entity (either domestic or foreign), and o Were provided in the past three years, and o Are not being used on the proposed project, and o Aside from the proposed project, are being actively used in support of any of an investigator’s other research endeavors. o Supplies ● In-kind resources include, but not limited to: <ul style="list-style-type: none"> o Personnel (e.g., visiting scholars, visiting students, supported by a non-UC entity) o Space o Equipment o Materials o Supplies <p>Note: In-kind resources intended for use on the proposed project should be included as part of the ‘Facilities and Other Resources’ or ‘Equipment’ section of the application and not ‘Other Support</p>	
Active/pending sponsored project total award amount Note: For subawards, only the total subaward amount needs to be included.	Award Amount (Direct + Indirect)
All investigators required to submit Other Support must also electronically sign their respective documents. <ul style="list-style-type: none"> ● A typed name is not an electronic signature and is not acceptable. ● Wet (ink) signatures are not acceptable. 	Required
Flatten Other Support PDFs after signature.	Required
Supporting documentation in the form of English-language versions of any Other Support from entities outside the United States, including, but not limited to: <ul style="list-style-type: none"> ● contracts ● grants, and ● any other agreements specific to appointments, affiliations, and/or employment with an institution or entity outside the U.S. Note: Google translations, or similar, are acceptable but certified translations may be required upon request.	Required
Immediately notify your college grant administrator or SRS of undisclosed Other Support (i.e., information that was missing from a proposal at Just-In-Time (JIT) or a Research Performance Progress Report (RPPR)).	Required

Any questions? Need help with this transition to the updated forms? Reach out to your college grant administrator or Holly, Corryn & Sandy as soon as possible.
